6	PRINTER	Convertor Production Department
7	DIE CUT	Convertor Production Department
8	STRIPPING AND ASSEMBLY	Convertor Production Department
9	FINISHING (GLUING / STITCHING)	Convertor Production Department
10	TYING	Convertor Production Department
11	FINAL / OUTGOING CONTROL	Quality Assurance Department
12	PRODUCT DELIVERY	Warehouse Department

KEY: Process Station

Storage

# Paperboard Making Process

1. Insert Paper Roll

2. Lamination

3. Hotplate

4. Trimming

5. Cutting

6. Paperboard

# Raw Materials

- ✓ ***Our raw material management system and partnership with paper suppliers allow us to maintain optimum inventory levels. We maintain a lean, but adequate supply of roll stock which would allow us to offer our customers a price protection window occasionally.***

# Graphic Arts

- ✓ ***Our experienced graphic artists help in designing artworks for your cartons. Printing specifications are then checked and authorized by HOD and customers before transferred to production plant floor.***

# Design & Innovation

## ***Kongsberg CM 1930 sample cutting table***

- ✓ ***If you have an idea that needs to be visualized and built, our carton design experts can build it using our new sample-cutting technology.***

## ***Optic – Check Pc-5000***

- ✓ ***Used for high precision mounting & proofing of printing plates. Our staff are constantly working to improve and expand our products with our advanced facilities.***

# **In-House Printing Preparation Equipment**

## ***“Time Saving”***

### ***Heidelberg***

- ***Printing plate making machine***

### ***Accubatch***

- ***2020 Auto Ink Blender***

### ***Piccolo***

- ***Water-Based Ink Dispenser***

# **QA & QC Testing Equipment**

**1) *Bursting Strength Tester***

**2) *Box Compression Tester***

**3) *Micro-Computer Ring Crush Tester***

**4) *Column Compression Testing Grip***

**5) *Die Cutter***

**6) *Basic Weight Scale***

# QA & QC Testing Equipment

# Scrap Recycling System

- ✓ ***An automatic Scrap Recycling System compresses corrugated waste into easily transportable, soon-to-be-reprocessed scrap.***
