

UNITED KOTAK BERHAD

Dedicated to Sustainability

# UNITED KOTAK BERHAD

(A MEMBER OF OJI GROUP)

## 2026

### PLANT 1

### PLANT 2

# Company Background

**T**he company started off as a sole proprietor in year 1977 and incorporated on 5<sup>th</sup>

December **1981** in Malaysia as a Private Limited Company under the Companies Act, 1965 under the name United Kotak Sdn. Bhd. The company converted to a Public Limited Company on 28th November 2000 and since assumed its present name. In year 2002, United Kotak Berhad (UKB) was proudly listed on **KLSE 2nd Board** and has been certified to **ISO 9001** by 26th September 2002 and **ISO 14001** by 1st November 2005. However, after the 100 % acquisition by **OJI PAPER ASIA SDN BHD** in **January 2011**, UKB has been delisted from KLSI 2<sup>nd</sup> Board and join the OJI PAPER ASIA SDN BHD currently known as OJI ASIA PACKAGING SDN BHD, which is fully owned by OJI HOLDINGS, a public listed company in Japan with over 200years of history.

In **2013**, we started to construct **New Factory** because we expected stable economic growth in Malaysia and didn't have enough space and machinery to fulfill the market demand.

The site area of our New factory is 42,000 square meters, the building area is 22,000 Square meters, and our production capacity is 4,000 MT per month, which is 1.5 times as much as our previous factory. 2 new latest machines which are BHS Corrugator and Sunrise Flexo folder gluer join our existing machines transferred from the previous factory, leading to be able to respond to more various customers' requests. Furthermore, 4 units of Flat-bed Die Cutter are one of our most characteristic strength due to outstanding performance to sheet board die-cutting. We are ready to serve our customers with a variety of products, high quality, and short-time delivery at one time. We highly seek to get much more customer satisfaction than ever before.

In **2022** 3<sup>rd</sup> quarter, due to the rapid growth of orders intake and the need for additional production capacity, expansion of plant 2 has started to put into operation. Plant 2 is located merely 600m or 1min driving distance from plant 1, with building area 28,600 square meters on a 42,000 square meter land that UKB will be able to fulfil another 4,500MT orders for delivery. Newly added machineries into production are BHS Corrugator, Mitsubishi Flexo folder gluer with Robotic Arms at the backend, Bobst 7colors HD Flexo printer, 1unit of Asahi Nantai Flat-bed Die Cutter and 1unit of Umetani Folder Gluer.

# Company Background

United Kotak Berhad is principally involved in the manufacturing and sale of corrugated cartons and boards. These products are widely used in manufacturing sector, especially the electronics sector, as well as food, beverage, and tobacco sub sectors for the purpose of packaging industrial or final consumer goods.

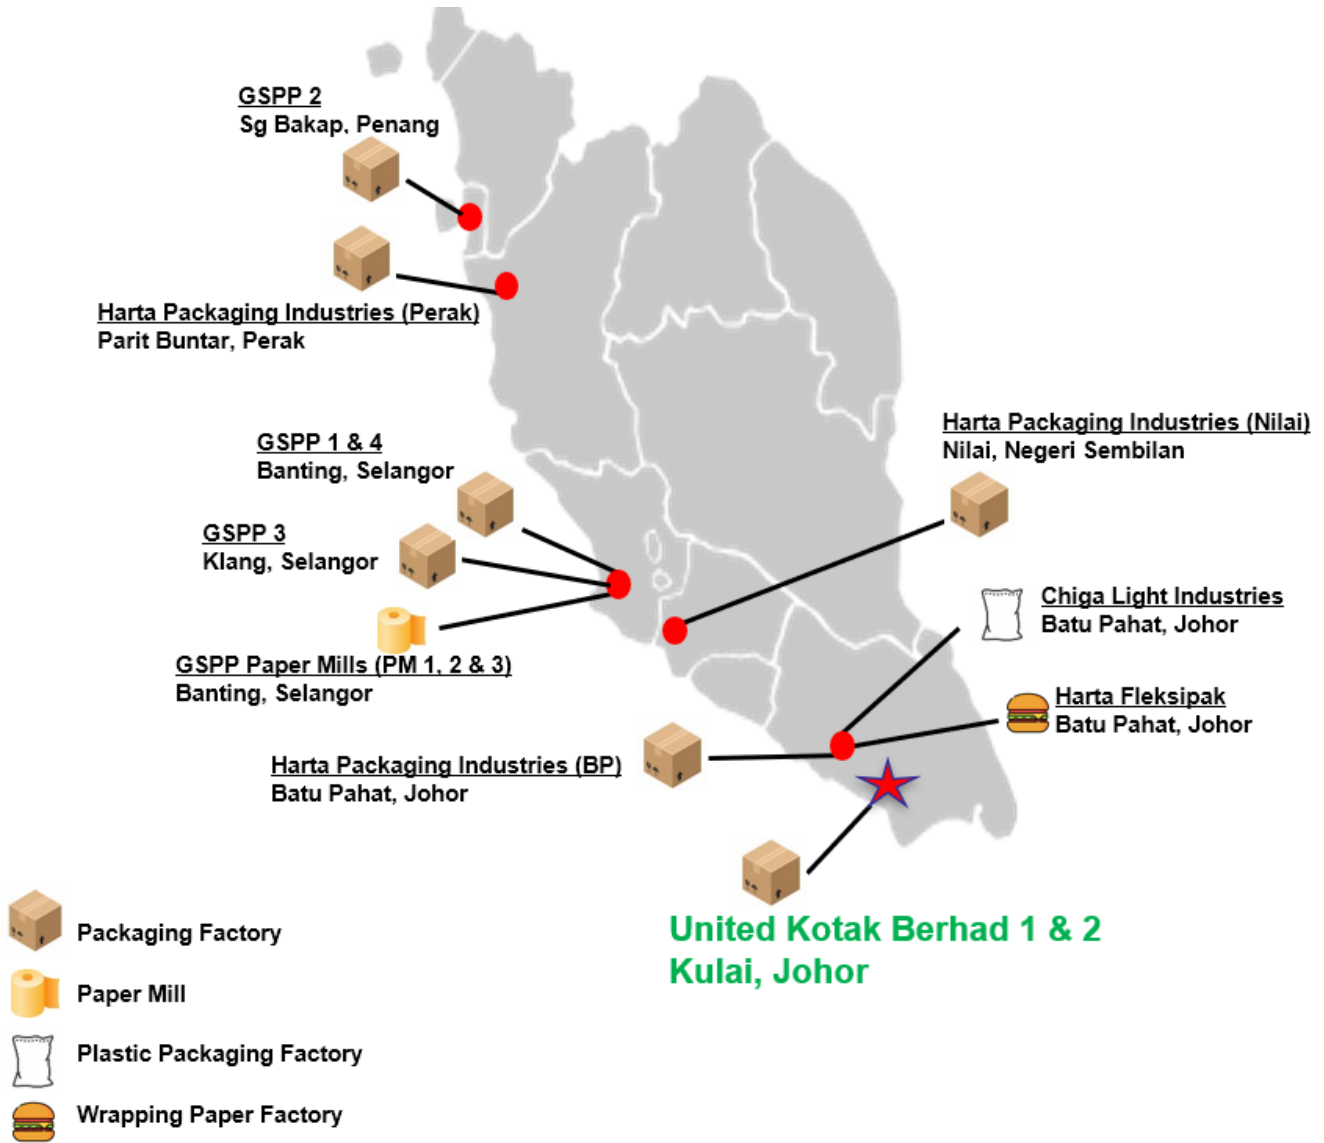

Today, UKB has established the business to become one of the successful corrugated carton box manufacturers in the Southern Region. A significant portion of UKB's products are sold locally and our customer base includes both local and multinational companies.

Tomorrow, we will commit to provide user satisfaction services, keep improving in quality of our products and services, and be the best in providing packaging materials solutions for users.

# Safety Policy

	ENVIRONMENTAL, HEALTH & SAFETY MANAGEMENT SYSTEM (EHS) MANUAL	DOCUMENT NO EHSM-001
		Page 11 of 41

## SAFETY POLICY

**“Follow the Rules for a safe workplace aiming for Zero Accidents Together ”**

### Obligations

Management is firmly committed to a policy enabling all work activities to be carried out safely, and with all possible measures taken to remove (or at least reduce) risks to the ill health, safety and welfare of workers, contractors, authorised visitors, and anyone else who may be affected by our operations.

We are committed to ensuring we comply with the ISO 45001:2018 Requirements, the applicable Occupational Safety and Health Act and Regulation of Malaysia as far as possible.

### Responsibilities

**Management** : Will provide and maintain as far as possible:

- A safe working environment and systems of work plant and substances in safe condition
- Information, instruction, training and supervision that is reasonably necessary to ensure that each worker is safe from injury and risks to health
- A commitment to consult and co-operate with workers in all matters relating to health and safety in the workplace
- A commitment to continually improve performance through effective safety management.

**Workers** : Each worker has an obligation to:

- Comply with safe work practices, with the intent of avoiding injury to themselves and others and damage to plant and equipment
- Take reasonable care of the health and safety of themselves and others
- Wear personal protective equipment and clothing where necessary
- Comply with any direction given by management for health and safety
- Report all accidents and incidents on the job immediately, no matter how trivial
- Report all known or observed hazards to their supervisor or manager.

### Application of this policy

We seek the co-operation of all workers, customers and other interested party. We encourage suggestions for realising our health and safety objectives to create a safe working environment with a zero-accident rate.

This policy applies to all business operations and functions, including those situations where workers are required to work off-site.
